Procedure No.

- 
- I. **PURPOSE:** To establish procedures governing visitors to Prince George’s County Public Schools (PGCPS).
  
  - II. **DEFINITIONS:**
    - A. Visitor: A person (not a student of the school or an identified employee or volunteer of PGCPS on official business) who has legitimate school business, to include, but not limited to: parent-teacher conferences, pre-arranged classroom visits, attendance at other school events or appointments with school employees.
  
    - B. Volunteer: A person assisting under the direction of a school administrator or teacher to provide a variety of services (e.g., tutoring, mentoring, and chaperoning for the students) without financial remuneration from PGCPS and considered to be an important member of the school or site team.
  
  - III. **PROCEDURES:**
    - A. **Sign-In Process – Photo I.D. Required**
      1. In an effort to increase the safety of our schools for students and staff, PGCPS currently utilizes the Raptor Visitor Management System. Raptor enables schools to issue visitor badges with names, pictures and reasons for the visit, and time and date printed on them; to monitor volunteer and visitor hours; and instantly check all visitors against registered sexual offender databases in all 50 states.
  
      2. In an effort to monitor the use of the Raptor Visitor Management System by schools, monthly reports of visitors and volunteers will be made available upon request to the Office of Monitoring, Accountability and Compliance.
  
      3. Additional visitor data will not be gathered and no data will be shared with any agency outside of PGCPS.
  
      4. Upon arrival at the school and unless one of the exceptions below applies, each visitor is **required** to provide a copy of their government-issued identification that includes the visitor’s name, date of birth and photo to the school office to be scanned into the Raptor system. On subsequent visits, the visitor’s name may be located through a quick find screen.

5. If a visitor does not have acceptable photo identification available, the school principal or designee may be able to manually enter the information into the Raptor system.
6. PGCPS employees or substitutes who do not have an employee badge visible must have their identification scanned and wear the Raptor badge while at the school.
7. Each visitor to a school site during the school day is required to have their photo identification scanned into the Raptor system prior to initiating any school-related business, and to sign out at the conclusion of any designated school-related business.
8. Any person who does not have a visible campus visitor badge or PGCPS identification should be immediately escorted to the main office.
9. All vendors, contractors, and other visitors not assigned to the particular school or facility will be scanned into the system each time they visit the school or facility.

### 10. Exceptions

- a. **Government Officials:** If the visitor to a school is a law enforcement personnel or similar governmental official, the visitor may be given the option of having their information entered manually by presenting their badge or state issued identification.

**Note:** If law enforcement and other first responders are responding to an emergency, they should bypass the sign-in process.

- b. **Large groups for assemblies, performances, etc.:**

If there is a large group of visitors entering the school building for honor roll assemblies, performances, etc. that are only located in one part of the building, visitors are not required to be scanned through the Raptor system.

Instead, school personnel may be located in the hallway to: (1) provide a sign-in sheet for all visitors as they enter the building; and (2) direct visitors to the location where the event

is being held. Once the event is over, visitors will be directed out of the building.

2. Once a visitor's identification is scanned into Raptor, the system generates an electronic log and no sign-in sheet is required.

If a visitor sign-in log is needed at other times, it must include a section for the visitor's full name, time the visitor signed in, where the visitor will be in the building, and the time the visitor signed out. **Permission to visit the school may be rescinded if the visitor does not comply with the stated purpose of visit or violates any policy or procedure.**

3. A copy of the school's daily sign-in log must be kept on file for three (3) years.
4. A standard school welcome sign must be placed on all exterior doors. The sign will instruct all visitors to: **NOTICE – ALL VISITORS MUST REPORT TO THE MAIN OFFICE AND PRESENT A PHOTO ID.**
5. All exterior doors must be kept secure except the main entrance and designated building entrances where students access the facility from portable classrooms or from other outdoor activities, as appropriate.

### C. Visits are arranged as follows:
