

ROSARYVILLE ELEMENTARY SCHOOL

DONATION FORM

Attention Rosaryville Elementary School Community,

Rosaryville Elementary School is planning another exciting and enriching year. There are many ways in which parents, residents, and local businesses can support our school’s success. One such way is by making a financial donation.

If your family or business chooses to make a financial donation during the 2016-2017 school year, funds will be used to support our school’s transition into becoming an Arts Integration School. Arts Integration is an approach to teaching that allows students to construct and demonstrate their learning through various art forms. RES staff members are embarking upon their second year of training in learning how to embed the arts (music, visual arts, dance, and theater) into their daily lessons. As a result, students will have more opportunities to create, produce, present, and perform artistic work that reveals their understanding of an academic subject.

Donations will be used to further enhance the resources utilized to support this fun, engaging, and research-based approach to teaching and learning. All donations are tax-deductible and donors will receive a receipt. Rosaryville’s donation goal is to raise \$5,000. This amount will pay for items such as:

- Local Artist Residency (local artists work directly with teachers and classes to infuse art in order to meet instructional goals)
- Creative Materials for Projects/Performances
- Field Trips
- Assemblies

The name of each donor, along with the donation amount, will be showcased on our special “Rainbow of PAWSibilities” bulletin board located in the main hallway. Please contact the main office if you have questions.

ROSARYVILLE ELEMENTARY SCHOOL DONATION FORM

Student Name: _____ Grade: _____ Date: _____

Parent/Guardian Printed Name: _____

Parent/Guardian Signature: _____

DONATION LEVEL

I wish to donate the following amount to Rosaryville Elementary School in order to provide additional instructional resources to be used for Arts Integration.
