Policy Name: Written Code of Conduct

Regulations: 2 CFR Part 200.318, formerly 7 CFR Part 3016.36(b)(3), State Procurement Code and Regulations

Procedures:

- in compliance with stated regulations; and
- to prohibit conflicts of interest and actions of employees engaged in the selection, award and administration of contracts.

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a Federal, State, or local award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.

The officers, employees, and agents of the non-Federal entity may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, non-Federal entities may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value.

The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the non-Federal entity. Based on the severity of the infraction, the penalties could include a written reprimand to their personnel file, a suspension with or without pay, or termination.

SCHOOL NUTRITION FEDERAL FUNDING GENERAL CONDITIONS

1. Debarred, Suspended, and Ineligible Status

Contractor certifies that the Contractor and/or any of its subcontractors have not been debarred, suspended, or declared ineligible by any agency of the State of Maryland or the School Food Authority (SFA) or as defined in the Federal Acquisition Regulation (FAR) 48 C.F.R. Ch.1 Subpart 9.4. Contractor will immediately notify the SFA if Contractor is debarred or placed on the Consolidated List of Debarred, Suspended, and Ineligible Contractors by a federal entity.

2. Non-Performance or/and Termination Clauses

a. Immediate Termination

This Contract will terminate immediately and absolutely if PGCPs determines that adequate funds are not appropriated or granted or funds are de-appropriated such that PGCPs cannot fulfill its obligations under the Contract, which determination is at PGCPs's sole discretion and shall be conclusive. Further, PGCPs may terminate the Contract for any one or more of the following reasons effective immediately without advance notice:

- (i) In the event the Contractor is required to be certified or licensed as a condition precedent to providing goods and services, the revocation or loss of such license or certification may result in immediate termination of the contract effective as of the date on which the license or certification is no longer in effect;
- (ii) PGCPs determines that the actions, or failure to act, of the Contractor, its agents, employees or subcontractors have caused, or reasonably could cause, life, health or safety to be jeopardized;
- (iii) The contractor fails to comply with confidentiality laws or provisions; and/or
- (iv) The contractor furnished any statement, representation or certification in connection with the Contract or the bidding process which is materially false, deceptive, incorrect or incomplete.

b. Termination for Cause

PGCPs may terminate the contract for cause upon ten (10) days prior written notice to the contractor of the contractor's default in the performance of any term of this contract. Such termination shall be without prejudice to any of the school board's rights or remedies by law. The occurrence of any one or more of the following events shall constitute cause for PGCPs to declare the contractor in default of its obligations under the Contract:

- (i) The contractor fails to deliver or has delivered non-conforming goods or services or fails to perform, to the PGCPs's satisfaction, any material requirement of the contract or is in violation of a material provision of the contract, including, but without limitation, the express warranties made by the Contractor;
- (ii) PGCPs determines that satisfactory performance of the contract is substantially endangered or that a default is likely to occur;
- (iii) The contractor fails to make substantial and timely progress toward performance of the contract;
- (iv) The contractor becomes subject to any bankruptcy or insolvency proceeding under federal or State law to the extent allowed by applicable federal or state law including bankruptcy laws; the contractor terminates or suspends its business; or PGCPs reasonably believes that the contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law;
- (v) The contractor has failed to comply with applicable federal, state and local laws, rules, ordinances, regulations and orders when performing within the scope of the contract;
- (vi) The contractor has engaged in conduct that has or may expose PGCPs or the State to liability, as determined by PGCPs's sole discretion; or
- (vii) The contractor has infringed any patent, trademark, copyright, trade dress or any other intellectual property rights of PGCPs, the state or a third party.

c. Notice of Default

If there is a default event caused by the contractor, the PGCPs shall provide written notice to the contractor requesting that the breach or non-compliance be remedied within the period of time specified in PGCPs's written notice to the contractor. If the breach or non-compliance is not remedied within the period of time specified in the written notice, PGCPs may:

- (i) Immediately terminate the contract without additional written notice; and/or

- (ii) Procure substitute goods or services from another source and charge the difference between the Contract and the substitute contract to the defaulting Contractor; and/or,
- (iii) Enforce the terms and conditions of the contract and seek any legal or equitable remedies.

d. Termination for Convenience

Following ten (10) days' written notice, PGCPS may terminate the contract in whole or in part without the payment of any penalty or incurring any further obligation to the contractor. Following termination upon notice, the contractor shall be entitled to compensation, upon submission of invoices and proper proof of claim, for goods and services provided under the contract to PGCPs up to and including the date of termination.

e. Termination Due to Change in Law

The School Food Authority shall have the right to terminate this Contract without penalty by giving ten (10) days' written notice to the contractor as a result of any of the following:

- (i) PGCPs's authorization to operate is withdrawn or there is a material alteration in the programs administered by PGCPs; and/or
- (ii) PGCPs's duties are substantially modified.

f. Payment Limitation in Event of Termination

In the event of termination of the contract for any reason by PGCPs, the school board shall pay only those amounts, if any, due and owing to the contractor for goods and services actually rendered up to and including the date of termination of the Contract and for which PGCPs is obligated to pay pursuant to the contract or purchase order. Payment will be made only upon submission of invoices and proper proof of the Contractor's claim. This provision in no way limits the remedies available to PGCPs under the contract in the event of termination. PGCPs shall not be liable for any costs incurred by the contractor in its performance of the contract, including, but not limited to, start-up costs, overhead or other costs associated with the performance of the contract.

g. The Contractor's Termination Duties

Upon receipt of notice of termination or upon request of PGCPs, the contractor shall:

- b. **TERMINATION FOR DEFAULT:** When the Offeror has not performed or has unsatisfactorily performed the contract, payment shall be withheld at the discretion of The Board. In the event of a default by the Offeror, this Contract may be terminated.
- c. **TERMINATION FOR CONVENIENCE:** The Board has the right to withdraw from the terms of the contract, without liability or showing cause, by providing ten (10) calendar days' written notice to the Offeror. The Offeror shall be compensated for services rendered prior to the date of termination.

**APPENDIX L – CERTIFICATION OF COMPLIANCE
(TO BE SUBMITTED WITH BID)**

IFB PUR-019-23

SNACKS AND BEVERAGES

All Contractors, subcontractors or Offerors must abide by PGCPs Board policies and regulations while working on PGCPs property.

Maryland Law requires that any person who enters into a contract with a county board of education may not knowingly employ an individual to work at a school (or PGCPs facility) if the individual is a registered sex offender. Please reference §11-113 of the Criminal Procedure Article of Maryland Code for penalty.

Be advised that individuals who are registered sex offenders are not eligible to work on any PGCPs project. The Contractor must initially check the Maryland Department of Public Safety & Correctional Services' MARYLAND SEX OFFENDER REGISTRY and search for the name of any employee to be assigned to work on this project. This applies to subcontractors and material/equipment suppliers as well.

In the event that a registered sex offender is discovered to be working on a PGCPs project, whether through employment by the prime Contractor, subcontractor or Offeror, the site superintendent will immediately remove the individual from the premises and permanently terminate his work assignment. PGCPs may terminate this contract as a result if the Contractor is unable to demonstrate he has exercised care and diligence in the past in checking the Maryland registry.

Effective July 1, 2015, amendments to §6-113 of the Education Article of the Maryland Code further require that a contractor or subcontractor or Offeror for a local school system may not knowingly assign an employee to work on school premises with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of, or pled guilty or nolo contendere to, a crime involving:

A sexual offense in the third or fourth degree under §3-307 or §3-308 of the Criminal Law Article of the Maryland Code. Child sexual abuse under §3-602 of the Criminal Law Article of the Maryland Code or any other State; or a crime of violence as defined in §14-101 of the Criminal Law Article of the Maryland Code or any other State.

With the passing of Maryland Law MD. Code, Educ. 6-113.2, employers of all contracted staff must obtain background information relating to child sexual abuse or sexual misconduct. This means that all contracted staff having direct contact with students must meet all of the PGCPs and Maryland State Department of Education (MSDE) requirements before doing business with PGCPs. See: [Maryland State Department of Education Website](#); [House Bill 486 Child Sexual Abuse and Sexual Misconduct Prevention](#); [MSDE Guidelines For MD. Code, Educ. 6113.2](#); and [Employment History Review Form for Child Abuse and Sexual Misconduct](#) for additional information.

In addition, there has been no change to the current PGCPs requirement, that all contracted staff who have contact with students are required to be fingerprinted in order to obtain a criminal background check. Fingerprints and background checks are still an enforced PGCPs requirement.

Under recent amendments to §5-561 of the Family Law Article of the Maryland Code, each contractor, subcontractor, or Offeror shall certify by signing this affidavit that any individuals in its work-force including subcontractors, have undergone a criminal background check, including fingerprinting, if the individuals will work in a PGCPs school facility in circumstances where they have direct, unsupervised, and uncontrolled access to children.

By my signature below, I affirm under penalties of perjury that the contents of this Certification of Compliance are true to the best of my knowledge, information and belief.
