KNOW YOUR RIGHTS AND RESPONSIBILITIES

Visit www.pgcps.org/benefits to access required federal notices which outline your rights and responsibilities. Or, request a printed copy by contacting the PGCPs Benefits Services by phone at **301-952-6600** or send an email to: pgcps.benefits@pgcps.org.

You dedicated your career to delivering support, services and a high-quality learning environment to ensure our students are ready for college and careers in a global society.

While you focused on the success of our students, we continue to focus on offering comprehensive and competitive benefits to support you and your family. **Our Focus is You.**

PGCPS makes a significant investment in your benefits. In fact, the School Board's share of the cost for retirees remains at 80% for medical, prescription drug, vision and dental coverage.

Open Enrollment is your once-a-year opportunity to review your options and select the medical benefits that work best for you and your family. During Open Enrollment, you can:

- Switch medical plans from CareFirst to Kaiser Permanente or from Kaiser Permanente to CareFirst;
- Drop your current coverage—if you drop coverage, you will not be able to re-enroll at a later date; or
- Drop dependents (spouse or child)—if you drop a dependent, that dependent will not be able to enroll at a later date.

You cannot enroll for new coverage (medical, prescription drug, dental or vision) that you did not elect at retirement. You cannot add new dependents (spouse or child).

**If you are satisfied with
your current benefit elections,
no action is required.**

PGCPS BENEFITS

Eligibility and Enrollment

The annual Open Enrollment period for 2025 benefits is October 28 – November 8, 2024. Any changes you make will be effective January 1, 2025.

WHO IS ELIGIBLE

Eligible Prince George's County Public Schools (PGCPS) retirees may continue their enrollment for benefits described in this guide based on their coverage at their date of retirement. You cannot enroll for new coverage if you did not have that coverage at the time of your retirement.

Dependent Children

Dependent children who are currently enrolled are eligible up to age 26, regardless of their student and/or employment status. Eligibility ends at the end of the month in which the dependent child reaches age 26, unless certified as disabled.

Continuation of Coverage for Surviving Spouses and/or Dependents

Coverage as a "surviving spouse" may continue as long as you do not re-marry or become eligible for health insurance through your own employment. If you do marry or become eligible for health insurance through your own employment, you must immediately notify the Benefits Services Office in writing. Coverage as a "surviving dependent" may continue up to age 26, regardless of their student and/or employment status.

HOW TO MAKE CHANGES

During the annual Open Enrollment period (October 28 – November 8, 2024), if you want to delete dependents, drop coverages or switch between plans (Kaiser to CareFirst or vice versa) complete and return the Retiree Enrollment Form to:

PGCPS Benefits Services Office

Sasscer Administration Building, Room 132
14201 School Lane
Upper Marlboro, MD 20772

The form was enclosed with the What You Need to Know summary mailed to your home, and is available [online](#), or by contacting PGCPS Benefits Services.

WHAT YOU NEED TO KNOW

Current Elections Will Continue

If you are satisfied with your current benefit elections, no action is required. If you want to delete dependents, drop coverages or switch between plans (Kaiser to CareFirst or vice versa) complete and return the [Retiree Enrollment Form](#) by November 8, 2024.

Premium Cost Changes

The cost for Kaiser Non-Medicare, Kaiser Medicare and CareFirst Non-Medicare coverage will increase in 2025. All other rates will remain the same.

PAYING YOUR PREMIUMS

As a retiree, your monthly premiums for health care benefits are deducted from your Maryland State Retirement and Pension System (MSRPS) pension check. If your pension check does not cover the full cost of your monthly premiums, you will receive invoices from WageWorks | Health Equity, the PGCPS direct bill administrator. If you are a surviving spouse or dependent receiving a pension check from the MSRPS, you may elect to have your health insurance premiums deducted from your pension check.

It is your responsibility to make sure your benefit deductions match the coverage you requested. If there is an error or omission in your deductions, you should immediately contact PGCPS Benefits Services at **301-952-6600**. Any missed deductions for your health benefits will automatically be taken in addition to the regular deduction on the next available pension check. One missed deduction per pension check will be taken until the arrearage amount is paid. You must pay all missed premiums or your coverage will be canceled and you will not be able to re-enroll in the plan at a later date.

Prescription Drug

Prescription drugs can be a significant expense. PGPCS gives you access to prescription drug benefits at retirement to help meet your needs.

If you participate in the Kaiser medical plan option, prescription drug benefits are included with your coverage. You will receive all prescription medications through a Kaiser facility or pharmacy, either at an onsite facility or a participating pharmacy.

For the CareFirst medical options, coverage is available through CVS Caremark for non-Medicare retirees and SilverScript, a CVS Caremark subsidiary, for Medicare retirees. With CVS Caremark/SilverScript, you can have prescriptions filled at thousands of retail pharmacies nationwide or by mail order.

These changes are made several times during the year. If you are taking a medication that is impacted, you will receive a letter from CVS Caremark. To review the current list of covered prescription drugs, visit the [PGPCS website](#). If you have questions, call the Caremark Customer Service Center at **1-888-865-6564**.

Refer to the required notice, Prescription Drug Coverage and Medicare Notice of Creditable Coverage, available on www.pgcps.org/benefits for more information.

Vision

If you are enrolled in a PGCPs medical plan, some vision benefits are included. For retirees enrolled in the stand-alone option at retirement, the BlueVision Plus plan provides additional coverage.

The BlueVision Plus plan includes vision services such as routine eye examinations, eyeglasses, and contact lenses. The plan is offered by CareFirst BlueChoice through the **Davis Vision, Inc.** national network of providers.

You have the option of using providers in or out of the Davis Vision network; however, benefits are higher when you use in-network providers.

Dental benefits are provided through Aetna. You may use providers in or out of the Aetna provider network, but your out-of-pocket cost for care will generally be lower when you use in-network providers.

Aetna does not require dental cards to obtain services. However, you can print out a card and access claim forms on the [Aetna website](#).
