What's Going On?

- Each school year, parents receive a Parent Notification Letter (PNL) that must be signed and returned to school. This allows your child to receive ELD services.
- A PNL, for this school year, was mailed home in late October to families of all ELD students.
- The PNL was mailed to the address currently listed in Synergy.
- Once you receive the PNL, please sign and return it to your child's ELD teacher at GNS.
- Thank you to those families who have already signed and returned the PNL!
