FEBRUARY 2025

What's Going On...

TESTING...

Our Scholars continue to complete the Second Benchmark Assessments in Reading and Math. Our 5th grade scholars are also going to complete the Benchmark for Science. Also, it is important that students get a good night's sleep so they are well rested before testing. Thank you for your continued support!

I READY DIAGNOSTIC TESTS

It is that time of the year to take the Winter Diagnostic Test for I Ready Math. Our scholars will complete the test in order to demonstrate what they have learned in Math since the beginning of the school year.

Black History Month

Black History Month, also known as African American History month, is a time to celebrate and learn about the significant contributions and achievements of African Americans throughout history. It's a chance to recognize the rich heritage and culture of African American and their impact on society. Learning about the resilience and achievements of African American can inspire young people and encourage them to pursue their dream and make a positive impact on the world.
